Work Experience

Creative advisor / Graphic Designer

(2022 - now)

Newa Pasa (Restaurant)

Boosted sales by over 70% in 1 year by modernizing pricing and designing optimized printed menus using Photoshop and Illustrator. Streamlined complex set menu, enhancing server efficiency during rush hours and elevating the restaurant's appeal to time-constrained white-collar customers.

English Instructor

(2021 - 2023)

Temple University Japan AEP

Managed classes of 16-20 students and supervised 2-3 junior teaching assistants during 6-hour courses. Ranked as a top class instructor in student surveys.

Creative Supervisor

(2021 - 2023)

Uprizine

Directed and published four highly praised magazines, co-managing a feminist and human rights club of 40+ active members. Fostered a collaborative environment that empowered diverse students from many nations and cultures including America, Japan, and more.

Skills

Front-End Development

React.js, TypeScript, JavaScript, HTML, CSS, Next.js, Redux

Other coding languages / Skills

Python, C, Java, Data Structures, Git
